Please consider this as Staff's first set of data requests to NSBI in the above-referenced matter.

For purposes of this data request set, the words "NSBI", the "Company", "you", and "your" refer to Network Service Billing Inc. and any representative, including every person and/or entity acting with, under the control of, or on behalf of Network Service Billing Inc. For each answer, please identify by name, title, and address each person providing information that forms the basis for the response provided.

These data requests are continuing, and your answers or any documents supplied in response to these data requests should be supplemented with any additional information or documents that come to your attention after you have provided your initial responses.

Please mail an original plus 13 copies to: Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, Arizona 85007. If no response is received or all deficiencies are not remedied within 30 days, Staff will recommend that the application be terminated pursuant to A.A.C. R14-2-1103(B)3 and A.A.C. R14-2-510(E)3. If the application is terminated, the Applicant cannot provide the same telecommunication services in Arizona for which it is currently applying, until such time as a new application is filed with and approved by the Commission.

Remember that information submitted for a CC&N will be made a part of the public record (including financial statements). Any information designated as confidential will not be accepted by Docket Control. If you have any questions, please contact me at (602) 364-0235. Thank you for your prompt response to this request.
